WELCOME TO INDIANA SPINE GROUP! We are pleased that you have chosen us for your care. Indiana Spine

If you have had any tests or studies, your doctor will need you to bring any X-rays, MRI films, or any other test results you have received from another physicians, hospital, or testing facility. In order to obtain your films, you will need to contact the facility where the films were made or the test was performed several days in advance of the day you will pick them up. Each facility will have their own procedure to obtain your films or results. You will need to bring your films with you to your appointment. Please do not have the facility mail the films to us. It is important for you to understand that your doctor will not see you without this medical information. If you are unable to obtain your films for your appointment, please call our office and we will reschedule your appointment.

1 Memorial Square, Suite 2000 Greenfield, IN 46140

Indiana Spine Group participates in most health insurance plans. It is important that you bring your insurance card or cards with you for every appointment with your doctor. Our Business Office will need this information to bill your insurance company. If you fail to bring your insurance card, your appointment will be rescheduled. Most insurance plans require co-payment for office visits. If your insurance carrier requires a co-payment it will be collected at the time of service. If you do not have health insurance, payment is expected at time of service. In addition, any individual who requests completion of FMLA, disability, or insurance forms will be required to pay a \$25 fee prior to completion of the form. For your convenience, we accept cash, checks, Visa, or Mastercard. If you have any questions, please contact our office at one of the numbers listed below. Again, thank you for choosing Indiana Spine Group.

MOTOR VEHICLE ACCIDENT INFORMATION FOR OUR PATIENTS

Motor Vehicle Accidents involve considerable administrative work and frequently result in a delay in claims being processed. Therefore, Indiana Spine Group would like to explain the process that we follow.

At the first visit for a motor vehicle accident we require the following information from your auto insurance carrier: a case number, name of your claims manager, telephone number, address and date of injury. You will be responsible for obtaining this information from your Automobile Insurance Carrier, and it is best when presented in a letter format. This authorizes us to provide treatment and allows us to file a claim on your behalf. Please call with authorization information prior to your appointment. This will assist with expediting the check-in process when you arrive for your appointment.

You will also need to bring your health insurance information.

If you cannot obtain claim authorization, you will be required to pay a \$250.00 down payment prior to your visit. If you do not have authorization from your auto insurance carrier and you do not have health insurance, you will be treated as a self-pay patient. Please call for further information.

The process for filing claims for payment:

Your claim must first be filed with your auto insurance carrier prior to filing with your health insurance. Your health insurance company will not pay or will ask for money back once they realize the reason for your visit to the physician is due to an auto accident.

Once your claim is filed with the auto insurance carrier, they will either pay for your services or provide us with a denial for payment. Once we receive a written notice from your auto insurance with their denial or that your benefits are exhausted, we can then file your claims with your health insurance company if applicable.

We are glad to assist you in any way that we can, however, we are dependent upon your complying with requirements for assisting us with proper documentation. If you have any questions, please feel free to call our office at (317) 228-7000 or 1-(866) 947-7463 and ask for the billing department.

Thank you for your understanding,

Indiana Spine Group
